Jupiter Jubilee Encourages Conservation

SFWMD will participate in the annual event with a water conservation booth

WHAT: Area residents are invited to celebrate life in the Town of Jupiter this weekend at the 10th annual Jupiter Jubilee. This year's event has a green theme that encourages vendors, exhibits and attendees to recycle, reuse and conserve.

In keeping with the Jubilee's theme, the South Florida Water Management District (SFWMD) will be at the event with a water conservation booth. The District created a Comprehensive Water Conservation Program in September 2008 to encourage more responsible use of water resources in South Florida.

For details on the District's water conservation efforts and current dry season conditions, please visit www.sfwmd.gov/waterwatch.

WHEN: Saturday, February 5, 2011

TIME: 11 a.m. to 5 p.m.

WHERE: Jupiter Community Center
200 Military Trail
Jupiter, FL 33458

WHO: The general public is welcome to attend this free event.

CONTACT: For more information on the Jupiter Jubilee, please call 561-741-2278 or visit www.jupiter.fl.us/jubilee.

About the South Florida Water Management District

The South Florida Water Management District is a regional, governmental agency that oversees the water resources in the southern half of the state – 16 counties from Orlando to the Keys. It is the oldest and largest of the state's five water management districts. The agency mission is to manage and protect water resources of the region by balancing and improving water quality, flood control, natural systems and water supply. A key initiative is cleanup and restoration of the Everglades.
