Henry Creek Boat Lock Closed for Repairs

The boat lock on Lake Okeechobee will be out of service through the weekend

WHAT: The South Florida Water Management District (SFWMD) is conducting repairs on the Henry Creek (G-36) boat lock on Lake Okeechobee.

WHEN: The lock will be closed through the weekend and into the afternoon of Monday, Feb. 22.

WHERE: The Henry Creek lock is located at the northeast section of Lake Okeechobee in Okeechobee County.

#

The South Florida Water Management District is a regional governmental agency that manages water resources in the southern part of the state. It is the oldest and largest of the state's five water management districts.

Our mission is to protect South Florida's water resources by balancing and improving flood control, water supply, water quality and natural systems.
