

Rule Development Workshop for ERP Applicant's Handbook Volume II

Jesse Markle, P.E.
Chief
Environmental Resource Bureau

Emily Johnson, Esq.
Staff Attorney
Office of Counsel

January 24, 2023

Senate Bill 712/Clean Waterways Act

- June 30, 2020: Governor signs the Clean Waterways Act into law.
 - Directed the Florida Department of Environmental Protection (FDEP) and the five water management districts (WMDs) to update stormwater design and operation regulations under Part IV, Chapter 373, Florida Statutes, using the latest scientific information.
- November 19, 2020: FDEP published a Notice of Rule Development (NORD) to update Rule 62-330, F.A.C, and the Applicant's Handbook Volume I (Vol. I)
- December 18, 2020: The SFWMD published an NORD to update the Applicant's Handbook Volume II (Vol. II)

District Rulemaking

- The District's proposed amendments to its Vol. II include deleting criteria and updating references to conform to FDEP's amendments to Vol. I.
- Today's workshop will focus **only** on changes to Vol. II.
 - [Vol. II \(Draft\)](#)

Next Steps

- January 31, 2023: Comment period closes
- March 9, 2023: Seek Governing Board approval to publish the Notice of Proposed Rule (NPR)
- March 17, 2023: Publish NPR
- Effective date: Upon the date DEP's amendments to Rule 62-330, F.A.C. and Vol. I become effective

Public Comments

- At this time, we will open the floor to public comment, in the following order:
 1. Zoom Q&A - staff will read your comment
