SUBJECT: Monthly Financial Statement – January 31, 2023

This report provides an overview of the District's unaudited financial activity for Fiscal Year 2022-2023, including revenue collections, expenditures and encumbrances made against the \$2 billion current budget, including a \$773 million encumbrance carryforward from Fiscal Year 2021-2022. The carryforward encumbrances are predominantly for planning, design, and construction of large restoration projects under contract which are funded by Legislative appropriated state reimbursable funds. Encumbrances represent contractual orders for goods and services which have not yet been received.
