

Excavating Fill Materials for Internal Berms – February 2021

# Bluefield Grove Water Farm Project

## St. Lucie County

### PROJECT BACKGROUND

Governor Ron DeSantis prioritized public-private partnerships as part of his effort to do more for Florida’s environment and improve water quality around the state of Florida. This project is funded by the Florida Legislature.

### PROJECT BENEFITS

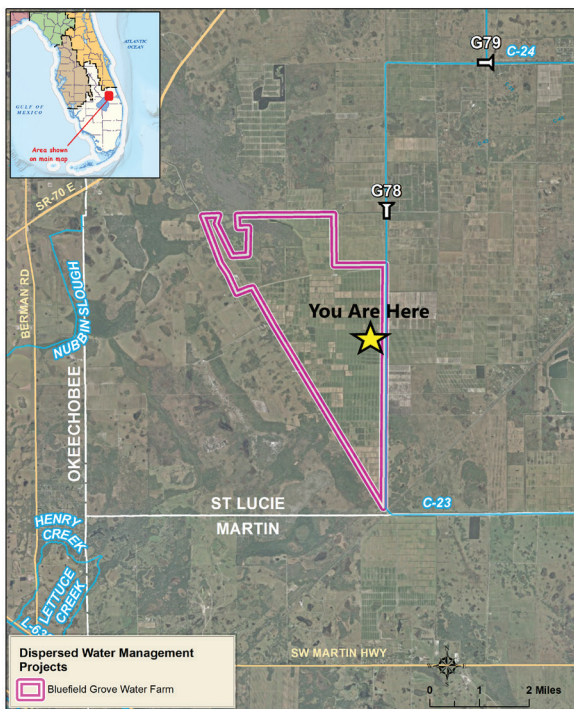

- 6,000-acre stormwater storage and treatment project in St. Lucie County.
- Designed to reduce nutrient loads and excess surface water discharges from the C-23 Basin into the St. Lucie Estuary.
- The project can capture 28,000 acre-feet (over 9 billion gallons) of regional stormwater before it enters the St. Lucie Estuary.
