

South Florida Water Management District

COMMUNITY MEETING FOR THE LOWER KISSIMMEE BASIN STORMWATER TREATMENT AREA AGENDA

August 28, 2024

2:00 PM

Indian River State College Dixon Hendry Campus
Williamson Conference Center (Building C), Room 112
2229 NW 9th Ave
Okeechobee, FL 34972

1. Open House - Hosted by SFWMD

An Open House will take place to discuss the Lower Kissimmee Basin Stormwater Treatment Area Project. Members of the public are invited to attend to ask questions and provide comments. Staff from the South Florida Water Management District will be available to answer questions about the project. This Open House is in-person and will not have a virtual component. No formal presentation will take place during this Open House.

For more information contact Jenna Bobsein via email at jebobsei@sfwmd.gov or via phone at 561-682-6771.
