FROM: Candida Heater, Director, Administrative Services Division

DATE: February 13, 2025

SUBJECT: Monthly Financial Statement – December 31, 2024

This report provides an overview of the District's unaudited financial activity for Fiscal Year 2024-2025, including revenue collections, expenditures and encumbrances made against the \$2.6 billion current budget, including a \$1 billion encumbrance carryforward from Fiscal Year 2023-2024. The carryforward encumbrances are predominantly for planning, design, and construction of large restoration projects under contract which are funded by Legislative appropriated state reimbursable funds. Encumbrances represent contractual orders for goods and services which have not yet been received. The revenues, expenditures and encumbrance carryforward shown on the October statement will be adjusted over the next couple of months as accounting staff work to align the end of year invoices paid in October for work completed through last fiscal year. Attached is a summary in the State Program format in compliance with Section 373.536(4)(e), Florida Statutes, which states that each District shall provide a monthly financial statement in the form and manner prescribed by the Department of Financial Services to the District's Governing Board and make such monthly financial statement available for public access on its website.
