ECOLOGICAL AND ENVIRONMENTAL SCIENTIFIC AND TECHNICAL SUPPORT CUMULATIVE WORK ORDER AWARD STATUS BY CONTRACT

WORK ORDERS ASSIGNED AND AWARDED FROM DATE OF CONTRACT EXECUTION

depending on the nature of the project and discipline involved, work orders will be issued to a specific contractor based on District project managers' evaluation of the expertise, capabilities, capacity, and logistical considerations for the specific studies, projects, or tasks. The following circumstances are also taken into consideration:

- Legacy Projects first issued to firms that were under a previous contract that had either expired or requires continuous services on an active contract.
- Availability of Staff to the extent an area of expertise is required or local staff is needed for staff augmentation or efficiency.

| Contract Number | Work Order Number | Firm | Project Title | Total Amount | Start Date | End Date |
|--------------------|-------------------------|------------------------------------|---|-----------------------------|---------------|-------------|
