**Learn How to Live Green at Boca Raton Event**

*SFWMD will participate with a water conservation booth*

**WHAT:** South Floridians can learn what steps they can take to live the “green life” – including conserving more water – this weekend during a free fair in Boca Raton.

The Wyland Living Green Fair is an interactive community experience that brings together art, community involvement and awareness about the environment. Several eco-friendly exhibitors will be showcasing their ideas and products, and the Wyland Mobile Learning Center will educate the public about water conservation in a fun and entertaining way.

The South Florida Water Management District (SFWMD) will participate in the fair with a table of information on water conservation, as well as presentations on the Everglades and Florida-Friendly Landscaping. For more details on the SFWMD’s Comprehensive Water Conservation Program, please visit [www.savewaterfl.com](http://www.savewaterfl.com).

**WHEN:** Saturday, November 6, and Sunday, November 7

**TIME:** 10 a.m. to 5:30 p.m.

**WHERE:** Mizner Park Amphitheater  
325 Plaza Road  
Boca Raton, FL 33432

**WHO:** The public is welcome to attend this free event.

**CONTACT:** For more information, please call 561-241-7385 or visit [www.livinggreenfair.com](http://www.livinggreenfair.com).

###

### **About the South Florida Water Management District**

*The South Florida Water Management District is a regional, governmental agency that oversees the water resources in the southern half of the state – 16 counties from Orlando to the Keys. It is the oldest and largest of the state's five water management districts. The agency mission is to manage and protect water resources of the region by balancing and improving water quality, flood control, natural systems and water supply. A key initiative is cleanup and restoration of the Everglades.*
