S-65C Boat Ramp to Close Two Days for Repairs

Erosion repairs needed for boat loading and launching

WHAT: The S-65C boat ramp will be closed on March 7 and 8 while the South Florida Water Management District (SFWMD) completes repairs to ensure safe access for launching boats. The ramp is located off the S-65C access road between Cornwell and Lorida on the Kissimmee River.

As an alternate, boaters can launch at the nearby Istokpoga Canal Boat Ramp located off U.S. Highway 98. The entrance to the Istokpoga Boat Ramp is 2.6 miles northwest of the intersection of U.S. 98 and the S-65C access road.

WHEN: The ramp is expected to be closed for repairs for two days: March 7 and 8.

About the South Florida Water Management District

The South Florida Water Management District is a regional, governmental agency that oversees the water resources in the southern half of the state – 16 counties from Orlando to the Keys. It is the oldest and largest of the state's five water management districts. The agency mission is to manage and protect water resources of the region by balancing and improving water quality, flood control, natural systems and water supply. A key initiative is cleanup and restoration of the Everglades.
